

Twinkle Bear Passport to Dance

Add fun to your classes each month and a way to track progress with your dancers with the Twinkle Bear Passport to Dance Book. The Passport Book can be used in lots of different ways with the Twinkle Star Dance curriculum as your guide. We provide an outline for each month for each age level and class or you can customize your passport book curriculum to suit your classes. Coordinating Star Stickers accompany each Passport Book.

Passport Books help track dancer progress and help teachers organize lesson plans with focus on specific Skills each month. Center Movements keep the class fresh and introduce dancers to new material each month. The Just For Fun provide videos that follow the Holiday and Seasons.

The Passport book also serve as a monthly scrapbook for the dancers, with a place for a photo from each month.

The Passport Book concludes with a Certificate of Completion for the class and a coloring page.

Passport Procedures:

Hand out Passport Books in class, while parents are present. Explain the book and all of it's elements.

Dancers take Passport Books home and bring them to class on "Passport Week" - designated by studio owner. (We recommend the last week of the month)

Teachers work on curriculum material provided in lesson plan outline throughout the month. On "Passport Week" parents are invited in for the last 5-10 minutes of class where you can showcase some or all of the monthly dances/material.

Stickers: 2 Ways

1. Teachers place stickers in books
2. Teachers give a cut out of 9 stickers to parent and dancer for them to place.

Teacher Stamp:

Teachers Stamp each dancer's book at the "Passport Week"
