Tiffany's Dance Academy Year Round Schedule:

Tiffany's Dance Academy is continuing with our "year-round" dance class schedule. The 2012 – 2013 Season will begin on July 9th. We realize many families are out of town frequently during the summer. To accommodate everyone's summer travel plans we are allowing make-up classes during the months of July and August. Because we will offer make-up classes during July and August your tuition will never be wasted if your family is out of town. Also, your make up class does not need to be the same type or level of class that your dancer is currently enrolled in. This is a great opportunity to try a different type of dance or even challenge your dancer by trying a higher level.

Recommended 2012-13 Classes:

Registration begins April 24th, 2012. Go to www.tiffanydance.com to register. Register on April 24th to avoid \$19 registration fee.
