A note regarding level placement:

It sometimes takes 2 years to complete one level, and move on to the next. We will take into account the time the dancer spent in the previous level and his/her ability, focus, determination, and age. We are committed to providing each student with challenging - not frustrating classes. The level of the class is determined by the ability level of the dancers in the class. If you have any questions regarding your child's placement recommendations, please don't hesitate to contact us.

Recommended Summer Programs:**□ "All Star" Hip Hop Summer Dance Camp**

For one week children ages 6-12 get their groove on and learn different styles of hip-hop. Classes are held at convenient times throughout June and July, Monday thru Friday for 2 hours. Contact your "home" studio for information regarding dates and times. On Friday the parents are invited into the studio for a brief showcase where dancers demonstrate all they have learned. Camp includes a complimentary daily snack and craft for each dancer. Register Now! The cost of one week of camp is \$99.

□ Summer Dance Intensive (Jazz, Tap, Hip Hop & Lyrical):

Summer Dance Intensives are a vital tool for dancers to continue refining their technique and performance year-round. Intensives not only help dancers retain their dance knowledge but also with overall improvement. Our week-long program provides dancers with the tools to broaden their understanding within a variety of dance styles: lyrical, tap, jazz, contemporary and turn and jumps.

Intensive classes will be held at our Livermore and South San Francisco locations from June 24-28, 2013.

The intensive is ONLY \$40 per day or \$200 for the week. Please e-mail

Robbie@tiffanydance.com for more information.

Tiffany's Dance Academy Year Round Schedule:

Tiffany's Dance Academy is continuing with our "year-round" dance class schedule. The 2013 - 2014 Season will begin on July 8th. We realize many families are out of town frequently during the summer. To accommodate everyone's summer travel plans we are allowing make-up classes during the months of July and August. Because we will offer make-up classes during July and August your tuition will never be wasted if your family is out of town. Also, your make up class does not need to be the same type or level of class that your dancer is currently enrolled in. This is a great opportunity to try a different type of dance or even challenge your dancer by trying a higher level.
