A note regarding level placement:

It sometimes takes 2 years to complete one level, and move on to the next. We will take into account the time the dancer spent in the previous level and his/her ability, focus, determination, and age. We are committed to providing each student with challenging - not frustrating classes. The level of the class is determined by the ability level of the dancers in the class. If you have any questions regarding your child's placement recommendations, please don't hesitate to contact us.

Dancers come to the studio for two hours per day Monday thru Friday. Snack and craft are supplied daily. Parents are invited on the last day for a mini-concert. Each class is limited to 20 dancers and is available on a first come, first served basis. The cost for 1 week of camp is \$99

☐ **"American Girl Doll" Dance Camp**

Classes are held at convenient times throughout June and July, Monday thru Friday for 2-hours per day. At the camp children will learn a dance, which incorporates their American Girl Doll. Register Now! The cost for 1 week of camp is \$99.

☐ **Other Summer Programs:**

Tiffany's Dance Academy Year Round Schedule:

Tiffany's Dance Academy is continuing with our "year-round" dance class schedule. The 2011 - 2012 Season will begin on July 11th. We realize many families are out of town frequently during the summer. To accommodate everyone's summer travel plans we are allowing make-up classes during the months of July and August. Because we will offer make-up classes during July and August your tuition will never be wasted if your family is out of town. Also, your make up class does not need to be the same type or level of class that your dancer is currently enrolled in. This is a great opportunity to try a different type of dance or even challenge your dancer by trying a higher level.
